Change your career path for less.

Your local TAFE SA offers a number of accredited management courses to set you on the path for a career change, advancement or further study at university.

Develop your skills in strategic planning, people management, emotional intelligence, project work and many other areas. You will walk away from your studies with the confidence to provide effective leadership and direction.

Thanks to state government funding, you can study from as little as \$50 a unit, so why not apply today and choose the course that is right for you.

University Pathways

Once you have successfully completed a TAFE SA qualification at a certificate IV level or higher, you can use this to apply for entry at university, this is called credit transfer.

With some qualifications you will gain guaranteed entry with credit to university.

Your TAFE SA completed units will be recognised, so you don't have to repeat this course at university – saving you a great deal of time and money off your bachelor degree.
