Flying Start Infrastructure

Agency: Government of South Australia – Office for Early Childhood Development

Closing: 2 May 2025

Eligibility:

- not-for-profit (NFP) organisations that are registered or incorporated in Australia
- South Australian local government entities
- South Australian non-government schools that are registered with the Education Standards Board (ESB) and in receipt of state government funding.

Eligible projects must:

- be located in an area of unmet demand as per the [Market Information Summary](#) (or, if not in an identified area, supported by compelling local evidence)
- create additional places for preschool children
- support a service that is delivering or plans to deliver a funded 3-year-old preschool program
- be viable and following the provision of grant funding, be able to be completed and maintained without requiring further financial support from the state government.

The Flying Start Infrastructure Grants program is designed to have annual funding rounds, beginning in early 2025, until funding is exhausted.

Each funding round will have a 2-stage approach, with applicants successful in Stage 1 invited to the more detailed Stage 2.

Industry Growth Program

Agency: Australian Government- Business

Closing: Ongoing

Eligibility: Innovative small and medium enterprises undertaking commercialisation and/or growth projects within the National Reconstruction Fund (NRF) priority areas:

- value-add in resources
- value-add in agriculture, forestry and fisheries
- transport
- medical science
- renewables and low emissions technologies
- defence capability
- enabling capabilities.

The program supports innovative small and medium enterprises undertaking commercialisation and/or growth projects within the National Reconstruction Fund priority areas through advisory services and

opportunities for matched grant funding. Minor changes or improvements to existing products or services are not considered innovative.

The successful applicants will be connected to an Industry Growth Program Adviser who will provide tailored advice to support commercialisation and/or growth project.

Once this advice has been received, it is possible to apply for:

- grants of \$50,000 to \$250,000 to support early-stage commercialisation projects
- grants of \$100,000 to \$5 million for commercialisation and growth projects.

Regional Precincts and Partnerships Program

Agency: Australian Government – Department of Industry Science and Resources

Closing: Ongoing

Eligibility: Australian State/Territory Government agency or body, an Australian local government agency or body/ a Regional University, an incorporated not-for-profit organisation

Selection Process Non-competitive (applicants will be assessed on their individual merit against the assessment criteria, and will not be compared to other applications)

The program will focus on a partnership approach to deliver investment in regional Australia. It will bring together governments and communities to plan and deliver regional precincts that are tailored to local needs and have a shared vision in how that precinct connects to the region. Partners can be from government, First Nations groups, community organisations, educational institutions, or private enterprise.

Regional precincts or ‘places with a purpose’ are user-defined geographic areas with a specific shared need or theme. Regional precincts may include business districts, neighbourhoods, activity centres, commercial hubs or community and recreational areas. They will be located in renewal areas and growth areas in regional centres, regional corridors, regional cities, as well as smaller town centres that serve as service hubs in more remote communities.

PRIMARY PRODUCTION

On Drought Infrastructure Rebate Scheme

Agency: Government of South Australia - Department of Primary Industries and Regions

Closing: When funds are exhausted

Eligibility: Primary Producers

The Government of South Australia is offering a rebate of up to 75% to primary producers for implementing eligible on-farm infrastructure that enhances drought management and preparedness.

The On-Farm Drought Infrastructure Rebate Scheme aims to assist primary producers in implementing infrastructure projects that assist with managing current drought conditions and strengthen preparedness for future droughts.

Successful applicants must be able to cover the full cost of the infrastructure and will be reimbursed through the grant for 75% of the total cost up to a maximum grant of \$5,000 GST exclusive. Applicants must contribute at least 25% of the total infrastructure cost. Other government funding, including grants, concessional loans, or insurance claim funds, cannot be used towards the applicant's contribution.

Pre-approval of eligible activities for which costs are yet to be incurred may be obtained to provide certainty of receiving funding. Pre-approved activities must be completed within six months of the written pre-approval date.

The rebate is available for infrastructure activities that enhance drought management and preparedness:

- Costs associated with setting up or improving stock containment areas.
- Costs associated with the purchase and installation or upgrading of efficient water systems for irrigation.
- Costs associated with improving water infrastructure for livestock management.
- Costs associated with the adoption of technologies for improved drought management.
- Costs associated for labour of an external contractor to install, and repair or replace infrastructure set out in the eligible activities.

Only one application per ABN will be accepted.

Viterra's Community Sponsorship Program

Agency: Viterra

Closing: April 2025

Eligibility: Community and sporting organisations nominated by the grower

For every tonne of grain delivered on a contract, Viterra donates 20 cents to a registered community group or club nominated by the grower. This amount doesn't come from the grower's pocket – it's Viterra's donation to the community.

For Growers: When setting up contracts with Viterra, simply nominate a club or group you'd like to support. If you're working with an agent, they can do this on your behalf. Importantly, you don't need to be a member of the club to nominate it.

For Clubs and Groups: To benefit from this program, your group needs to register with Viterra and gain approval. Registered groups are then eligible to receive funds based on the total tonnage delivered by growers who nominate them.

Payments to clubs and community groups are made once a year, based on the total tonnage delivered under nominated contracts by the end of April.

If you've got a club in mind and want to register your group, contact the Viterra team on **1300 453 626** to sign up or learn more.

ABC Future Fund

Agency: ABC Foundation Ltd

Clubs for Communities – IGC Sponsorship

Agency: Clubs SA

Closing: Ongoing

Eligibility: Non-gaming sporting and community clubs

Projects must be accessible to people from across the State. One application per organisation will be considered in any twelve-month period.

Projects can be a "once off", or over a longer term.

Projects should reflect a high standard of integrity and identify the specific area of the community who will most benefit from assistance.

Preference will be given to causes that:

- can demonstrate assistance to those sectors in the community that are in some manner 'disadvantaged'. For example, priority will be given to projects that support children, young people, physically and/or intellectually disadvantaged people, health-related programs, and community-based projects by not-for-profit organisations.
- benefit a charity or community organisation directly, without going through an intermediary.

Grants of up to \$10,000.

ARTS AND CULTURE

Live Music Events Fund

Agency: Music Development Office – Government of South Australia

Closing: Ongoing EOI. Open each financial year until funds exhausted.

Eligibility: You must be a promoter, event organisation or music business (applicant) seeking financial support from the LMEF to present a major festival and music event (event) in South Australia.

The South Australian Government's LIVE MUSIC Events Fund (LMEF) was created to support live music events and festivals with the potential to grow into major tourist attractions. The Music Development Office (MDO), part of the Creative Industries team of Arts South Australia, at the Department of the Premier and Cabinet, administers the fund in consultation with Events South Australia, a division of the South Australian Tourism Commission (SATC). The Government has committed \$550,000 per year to support music events and festivals through the LMEF.

Objectives

The Live Music Event Fund aims to:

- elevate Adelaide's recognition as a UNESCO City of Music through activating our live music events calendar
- mitigate the financial barriers experienced by promoters in the first two years of staging a new live music event
- attract unique music events to South Australia that generate economic benefit, provide local jobs for musicians and crews, and attract visitors from South Australia's key domestic tourism markets
- provide industry development opportunities or pathways that support the growth of the event into a unique offering for the state that is financially sustainable and not reliant on government funding for viability.
